DISCOVER OUR LINEUP

PRO GAFF

Pro Gaff sets the standard with a durable matte cloth backing, clean removal, and a full range of color and size options for every production need.

Standard Colors

A wide range of standard colors are perfect for matching surfaces, color coding, and labeling.

Fluorescent Colors

UV-reactive, high-visibility gaffer's tape designed for safety marking in low-light areas.

Chroma Key Green

Chroma colored Pro Gaff for invisible seaming of green screens.

Glow-in-The-Dark

UV-reactive Pro Gaff; glows for up to ten hours after charge.

POCKET PRO GAFF

Pocket Size

The same trusted Pro Gaff tape you love, in a handy pocket-size roll. Perfect on the go. Available with or without retail hang-tab.

Pocket Camera Stacks

5-color stack of pocket gaff rolls. An essential for anyone holding a camera.

Pocket Plus Size

A step up from our pocket-size roll. Perfectly sized for your gear bag and ready for any project.

PRINTED PRO GAFF

Camo Gaff

Camouflage design for outdoor activities.

Cool Camo

Matte cloth tape printed with a camouflage pattern.

Custom Prints

Choose from our selection of standard prints or create your own.

SPIKE TAPES

Pro® Spike Tape

Designed for spiking and labeling in low light conditions.

Features & Benefits:

- 12 mm width for precise stage spiking
- Easy to tear by hand
- Removes cleanly, leaves no residue
- Writable with pens and markers

Designed for stages and studios. Pro® Spike delivers reliable adhesion, clean removal, and effortless hand tearing. Perfect for marking positions, setting props, labeling gear, or organizing equipment. Available in bold, fluorescent, high visibility colors that stand out, even in low-light environments.

14 STANDARD COLORS

5 FLUORESCENT COLORS

Also available:

Pro® Spike Stack

Conveniently packaged in a stack of four or five UV-reactive fluorescent colors.

Pro® Pocket Spike Stack

A stack of five 12 mm rolls on a pocket-sized core. Convenient to carry and available in three color combinations.

3 COLOR COMBOS

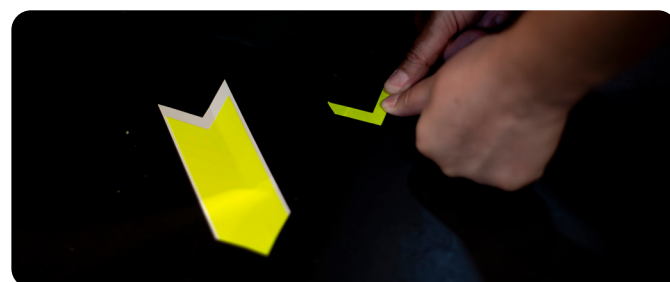

Pro® Spike Corners

Die-cut, corner-shaped spike tape with an easy-release liner for quick, clean corner marking.

Available in all Pro® Spike Colors

Also available:

Pro® Glow Gaff Spike Corners

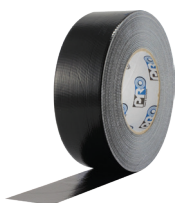

Glow-in-the-dark perfect for high visibility in low-light settings.

DUCT TAPES

Pro® Duct 120

Pro® 120 is an industrial-grade, 250 μ cloth duct tape great for repair, sealing, and bundling.

13 COLORS

Pro® Duct 110

Pro® 110 is a 230 μ general-purpose duct tape designed for everyday applications.

11 COLORS

Pro® Duct 139

Pro® 139 is a 230 μ specialty fluorescent duct tape available in 4 highly visible colors.

4 FLUORESCENT COLORS

Pro® Duct 160 Clear Duct Tape

Clear & waterproof duct tape perfect for repairing clear plastics, weatherproofing windows, and protecting labels.

CLOTH TAPES

Pro® Digital and Chroma Cloth

Perfect for on-set masking, stage design, & camera alignment where color consistency with keying screens is critical.

Digital Colors

- #0857A1
- #7AC63B

Chroma Colors

- #324E80
- #308645

Cable Path®

Cable Path® is a specialty gaffers tape designed with a non-adhesive dry channel, allowing easy cable adjustments without removing the tape.

4 COLORS

Pro® Matt-Cloth

High-quality, polyethylene-coated cloth tape with a low-gloss finish. Ideal for holding, securing, and bundling audio-visual cables.

Shurtape® P-665

Professional grade gaffer's tape for applications that demand clean removal.

3 COLORS

Shurtape® P-672

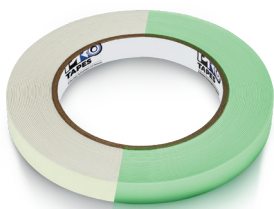

Premium grade gaffer's tape for light duty jobs that require strength and abrasion resistance.

4 COLORS

PRO GLOW VINYL TAPES

Pro Glow® Vinyl Glow-in-the-Dark Tape

Features & Benefits:

- Limitless recharge
- Ideal for safety marking in low light
- Weatherproof backing
- Good adhesion

Pro Glow® is a vinyl tape that glows for up to 10 hours after exposure to light, ideal for marking exits, egress paths, and safety zones.

Pro Glow® Dots

Available in 25 mm, 50 mm, and 76 mm diameter adhesive dots, conveniently supplied on a continuous roll for easy dispensing.

Pro Glow® Corners

Sheets of 10 glow-in-the-dark adhesive vinyl "corners" on a crack-and-peel, easy-release liner.

Pro Glow® Arrows

Adhesive die-cut arrows designed for marking exits and pathways in low-light conditions. Features a convenient pull tab for quick liner removal.

Pocket-Size Glow Arrows & Dots

Convenient pocket-sized rolls of die-cut shapes. Available with or without retail hang-tab.

ARROWS DOTS

SPECIALTY TAPES

Pro® JLAR II

Optically clear gel repair tape, ideal for laminating and book repair.

Duve Pro

Felt tape ideal for curtain seaming and repair. Blocks out light and "hot spots". Velcro® compatible.

Pro® Plus

180 µ vinyl plastic electrical tape used in insulating wire splices.

10 COLORS

Pro® Fast

Hook and loop fastener tape on a roll, packaged in a convenient dispenser box.

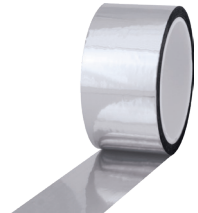

2 COLORS

Pro® Sheen

Premium grade metalized polyester film tape, used for decoration and color-coding.

4 COLORS

DOUBLE-SIDED TAPES

Pro® Dual-Tack Floor Secure

Low tack adhesive on one side for delicate surfaces, high tack adhesive on the other.

Pro® 500B

Double-sided, high-tack adhesive to secure temporary flooring or banners on a blue poly liner.

Pro® 500W

Double-sided high-tack adhesive, available on a premium white crepe paper or poly liner.

Pro® 965

Ideal for permanent mounting. Double-sided transparent film tape with a pink polypropylene release liner.

PAPER TAPES

Pro® Console Premium Flatback Paper Tape

Features & Benefits:

- High edge tear resistance
- Writeable with flexo inks, markers, pens, and pencils
- Repositionable, removes cleanly with zero stain
- Provides good tensile strength

Pro Console Tape is designed for stage and studio use. Its writable, printable paper surface and residue-free removal make it the go-to choice for clean labeling on sound and lighting boards.

7 COLORS

Pro® Chart Tape

Premium flatback paper tape with widths as narrow as 3 mm and 6 mm, used for marking and labeling.

Pro® 46 Colored Crepe Paper Tapes

Colored crepe paper tape which features a textured, flexible surface. Versatile and easy to tear.

12 COLORS

Also available:

Pro® 46 Masking Stacks

Convenient, colorful stack of 6 crepe paper tape.

Shurtape® P-743

An opaque black, matte finish surface ensures the light-free masking required for high quality photo reproduction.

Shurtape® P-724

Printable, high adhesion flatback paper tape available in a variety of colors.

7 COLORS

Pro® Measurement Tape

Repositionable paper tape with printed measurement markings. Available in Imperial (1 ft = 30,85 cm perforations) and Metric (20 cm perforations).

IMPERIAL METRIC

Established in New York City's Theater District in the 1970s, Pro Tapes offers a comprehensive lineup of pressure-sensitive adhesive tapes that are engineered specifically for the Arts & Entertainment markets.

Industries Served:

Professional Lighting & Sound • Touring • Film & Television • Theater & Stage • Event, Convention & Party • Rigging & Electrical • Hotel AV Departments • Dance & Music Studios • Photography
